Chapters Health System Recognized Again by the Great Place to Work® Institute *Seventy-nine percent of team members said health system a great workplace for second year*

Tampa, FL (April 11, 2019): [Chapters Health System](#) was certified for the second year in a row as a great workplace in the Aging Services category today by the independent analysts at the Great Place to Work® Institute. Chapters Health and its affiliates ([Good Shepherd Hospice](#), [HPH Hospice](#), [LifePath Hospice](#), [Chapters Health Palliative Care](#) and [HPH Home Health](#)) earned this distinction based on extensive ratings provided by its team members in anonymous surveys. A summary of these ratings can be found at: [LINK to report](#)

"Once again we are thrilled by this certification because it recognizes the heightened engagement of our team members and what truly differentiates us from others in the healthcare arena," said Andrew Molosky, president and chief executive officer for Chapters Health. "People come to Chapters Health to be part of an organization performing meaningful and impactful work 24/7/365 in taking care of patients and families with or affected by advanced illness. Every day our team members impact lives across a wide continuum of care — Chapters Health is once again a great place to do great work."

Chapters Health employees completed more than 780 surveys resulting in a 90 percent confidence level and a margin of error of ± 3 . According to the study, 79 percent of Chapters Health employees say they take pride in working for the organization.

"We applaud Chapters Health for seeking recertification and releasing its employees' feedback," said Dr. Jacquelyn Kung of Great Place to Work's senior care affiliate Activated Insights. "These ratings measure the organization's capacity to earn its own employees' trust. The designation creates a great workplace for anyone considering working for or doing business with Chapters Health to take into account as an indicator of high performance."
