Chapters Health System to Hold Open House for New Palliative Care Clinic

BARTOW, FL (February 7, 2020) – In celebration of the opening of the Chapters Health Palliative Care Clinic in Bartow, Chapters Health System will hold a free open house on Wednesday, February 19, 2020 from 4 p.m. to 7 p.m. The celebration will take place at 2250 Osprey Boulevard, Medical Office Building A, Suite 103, in Bartow, and includes refreshments, brief guided tours and a ribbon-cutting ceremony featuring members of the Bartow Chamber of Commerce.

The Chapters Health Palliative Care clinic provides welcome assistance for patients with serious illnesses and/or complex diseases in an outpatient setting. Palliative care focuses on providing relief from the symptoms, pain and stress of a serious illness. The goal is to improve the quality of life for patients and their families.

Palliative care is provided by our specialty-trained team of doctors, nurse practitioners, social workers and chaplains. Team members work together with community physicians to offer an additional layer of support for patients and families.

Media interested in attending should RSVP no later than Monday, February 18, 2020. Tours and interviews with palliative care specialists can be arranged on-site. Patient interviews must be arranged in advance.

About Chapters Health System

As a progressive leader and premier health system, Chapters Health System is dedicated to delivering innovative home health, palliative and hospice care along with durable medical equipment and pharmacy services. Since 1983 as a community-based, not-for-profit organization, Chapters Health has provided choices, education and guidance through its managed affiliates: Chapters Health Home Care, Chapters Health Palliative Care, Good Shepherd Hospice, Hospice of Okeechobee, HPH Hospice and LifePath Hospice, located in Citrus, Hardee, Hernando, Highlands, Hillsborough, Martin, Okeechobee, Pasco, Pinellas, Polk and St. Lucie counties. All offerings are provided in order to improve the patient/family experience well in advance of end-of-life needs.
