About Southern Homes

Since 1991, Southern Homes has been devoted to building quality new homes of superior design. With stellar customer service rating and business longevity, Southern Homes has been proven as "A Neighbor You Can Trust."

About Good Shepherd Hospice

Good Shepherd Hospice, an affiliate of Chapters Health System, is a community-based, not-for-profit organization that supports approximately 4,000 patients each year in Polk, Highlands and Hardee counties as they face the challenges of advancing age and illness. Since 2008, the organization has been accredited by The Joint Commission, the nation's premier healthcare accrediting body and in 2017 was awarded deemed status. About Crossfire Quartet

Crossfire is a combination of many years of Southern Gospel music experience. This amazing group has traveled the world over, telling people about Jesus and His saving power! In today's world of divisiveness and angst we believe that only in Christ Jesus will you find peace. He is not a divider but a comforter, not a hater but a healer, and not a warrior but a welcomer. Crossfire brings the reality of life to the stage. How a relationship with Christ enriches, encourages, and undergirds us for success in this life and eternity.

About kidsPACK

With a mission to help make sure that no child goes hungry kidsPACK is a non-profit organization supported by local community leaders and volunteers that are committed to improving the lives and opportunities of children. When this initiative was started before the 2011-2012 school year, they fed 449 homeless or hungry children in 31 Polk County public schools. The 2012-2013 school year, the project expanded their program to include Hillsborough and Hardee County, where they have been approved by local public school administration and oversight. Today, the project is in all three counties, Polk, Hillsborough and Hardee where they have fed more than 1,700 children in 73 different schools.
