**TAMPA, FL (December 30, 2020):** [Chapters Health Foundation](#) held its fifth annual Hospice Open golf tournament in early November at the [Lake Jovita Golf & Country Club](#) in Dade City. The tourney raised almost 60 percent more than the 2019 outing with close to \$50,000. Over the last five years, the Hospice Open has raised more than \$132,000.

“This year’s Hospice Open was incredible for so many reasons,” said Adam Stanfield, vice president of development and executive director of Chapters Health Foundation. “The addition of our new presenting sponsor, ZENO Office Solutions, and the Magnolia Golf Group’s PGA-style leaderboard and the Hospice Open’s Helicopter Ball Drop make it Tampa’s premier charity golf tournament.”

Sixty players competed in the Hospice Open with Team ZENO Office Solutions taking the number one spot on the leaderboard with the foursome of Corey Leventhal, Jon Moles, Jim Lebonitte, and Brad White. After 190 balls were dropped from the helicopter, the winner received an Amelia Island weekend getaway.

As one of the Chapters Health Foundation’s signature events, the Hospice Open brings together special companies and people to support the underserved across the service area for Chapters Health System. Proceeds from the event will support programs otherwise unfunded, including bereavement services for adults and children, and the veterans/first responders program. In addition, a new patient special needs fund was created to cover extraordinary expenses that fall outside the realm of care but are critically important to patients’ comfort and peace of mind.
