**Florida Cracker Kitchen to Host Concert Benefitting Chapters Health
Foundation in support of HPH Hospice**

Featuring Country Music Singer Jerrod Niemann and Special Guest Drew Green

TAMPA, FL (May 18, 2021): The Chapters Health Foundation today extended an invitation to the community to attend a live concert benefitting HPH Hospice. The concert is scheduled for June 4, 2021 at 6 p.m. at the [Florida Cracker Kitchen](#) in Brooksville, FL. Country music singer and songwriter Jerrod Niemann and special guest Drew Green will perform live on the Dixie Vodka Stage, presented by [Russell's Western Wear](#).

Proceeds benefit HPH Hospice and its newly launched [Chapters Health Valor Program](#), which supports veterans and first responders under their care. The Valor Program, offered year-round, provides services and programs including:

- Pinning ceremonies to honor the service and sacrifices made by veterans and first responders. The person of honor receives a pin, certificate of appreciation, and patriotic lap blanket.
- Valor Cafés for peer-to-peer activities in which veterans and first responders find comradery to share stories and similar experiences.
- Honor walks to show respect to the family members and deceased as they leave the hospice house.
- Free counseling services from licensed grief counselors for the veteran or first responder and family.

Chapters Health has served veterans and their families with home care, hospice care, and grief services for many years and has expanded this service to first responders with the Valor Program.

“We are honored that the Chapters Health Foundation has reached out to team up with the Florida Cracker and its fan base helping support our community, veterans and first responders,” said Blair Hensley, owner of Florida Cracker Kitchen.
